For those who can afford it, we suggest an annual subscription of £5.00 for UK residents (*overseas subscribers – please add a further donation to cover extra postage costs*). Less will be accepted, however, and more will be welcomed – this will help us to send *New Leaves* to those who will read it and hand on the ideas but who cannot themselves afford a subscription. Such donations also help with the costs of stalls and meetings.

For **Gift Subscriptions**, please see bottom of page.

Payment can be made by UK postal order or stamps, sterling cheque from a UK bank or International Money Order. **Please make payable to MCL.**

Please complete the following **in clear writing** and send with your subscription payment to the Treasurer:
